In book one of the new series we get to all new shifters animals. Let me tell you they are totally rad. From bug shifters to never heard of beast. Will they be able to stop the evil councilman. I can't wait for book two of this new series. Hopefully very soon.0 of 0 people found the following review helpful. Editing nightmareBy CustomerThe story itself is very enjoyable, on par with the rest of Cree Storm's writings, unfortunately the runonwords were so numerous, I had to stop highlighting them. Beginning in chapter 10 they were happening as much as twice in a single paragraph. But the story is very good and I will continue to enjoy Cree's future works0 of 0 people found the following review helpful. Wonderful charactersBy C RobertsThis book needs to be read in order of the series to fully understand what is going on. I am looking forward to the next story.

Welcome to the Mating Games on Ice! After discovering the nefarious actions of Councilman Troy, Ricky, Ian, and Joop, along with their mates and Councilman Eagan and his mate, are on a mission to stop Troy's plans. To do that, they must attend The Winter Mating Games in Siberia. Darby Sellers has always wanted to find his mate. Unfortunately, the summer games did not pan out for him. Overhearing the conversation about going to the winter games, Darby decides to hitch a ride, dragging his best friend, Jayden Donovan, along. Councilman Camden Krill was just learning about the abominations Troy was creating to take over as ruler of their world. While waiting to meet with Eagan and his friends he receives a call from a man with the most musical voice Krill had ever heard. While making their way to the mating game grounds, Eagan's men had been attacked, some were taken hostage, and the rest were dispersed into the Siberian lands. Being the special shifter he was, Krill had little to fear. However, this night he feared a lot. He feared that those taken would be killed, or worse. He feared those left out in the freezing lands would perish. His biggest fear was that the little lady bug shifter with the lyrical voice would die before he ever got the chance to meet him in person and discover if fate had finally shined on him and brought him his true mate.
